Having sexual with other women and due to this life I never through about Christianity I through it is only a religion like after religion in India.

Due to life I am in society and in my family against to all of them. I am a big problem to my family no peace no love.

Sir, I studied and completed ITI (Industrial Training Institute) and got job in a private company at Hyderabad. And suddenly with my friend I went a Calavary Temple there I heard the life of values and the love of Jesus Christ how he crufied for my sins on cross when I am hearing the message my heart tell that he the pastor taking to me and saying all bad habits and how I am loosing the love of god due to this after my life going to when the fire. And pastor gave alter call for all that time went near altar and prayed my Jesus. And with Jesus I ask God to cause all my sine and for that him I relive church as my savior and totally I changed my life and decided to do his gospel work I resigned for the work and god remembering in my heart and calling me fishers of men.
