PASTOR'S TESTMONY

Dear Sir,

Praise the Lord sir, greetings to you in the name of our Lord and savior Jesus Christ. I was born and brought up from Idol worshipping family used worship several idols and offers to idol God's every years. I used to criticize Jesus Christ and Christians, because in our nation there are crores of God's who we have been worshipping and serving. I was not willing to agree with die of Lord Jesus Christ. Finally I got severe sickness in my body and lost hope of living, I decided to die . why but in my village one of my friend came and prayed for me and preached the Gospel maricalusly God has healed me from sickness and death.

God has spoken to me through john 1:9 and luka 1:48. In the year of 2004 God has called me for his ministry to serve him. In the year 2005 I have joined in Bethel Bible College for theological studies and Dr. Jaya Kumar Babu led me in the Lord and the ministry. After my graduating, my Lord enabled me to start two churches, and now the Lord is leading me through visions and word. Through Dr. Jaya Kumar Babu garu our Lord has changed my life entire. God has delivered me from many problems and troubles.

So please pray for my ministry and my family our prayer are with you

Thanking You Sir,

Yours obediently
